Power Serve

Donations of canned goods (3rd grade) and new or slightly used shoes (1st grade) can be brought to school any time. Thanks!

Scrap paper (used on one side) is always needed for the copy machine. We *greatly* appreciate donations of both scrap paper and regular copy paper.
Thanks!

The next *Boxtops for Education* mail-out date is in May. We will receive approximately \$180 from this one. Thanks!

WEDNESDAY A.M. is the last time to bring canned goods for the 3rd grade Power Serve project!

Raising Good Sports from Home & School Connection

You can teach your youngster to be a good sport by being one yourself. When you attend a game, clap and cheer for players who try hard, even if they're on the other team. You'll help your child learn to be gracious to everyone in the game.

Teach Tolerance and Respect of Others from Firm, Fair, & Consistent

Teach respect for other peoples' lives and habits. Here's how to start: a.) select foods from different countries to nibble together b.) attend community events that celebrate other cultures c.) spin a globe and point out faraway lands d.) visit the library and explore stories from around the world.
